

| Pos.  | Artikelbeschreibung                       | Description of item                          | Artikel Nr./Item No.        |
|-------|---|--|-----------------------------|
| 1     | Kontrolllampe, gelb 230V, 14A             | Yellow indicator light 230V, 14A             | E0301130005                 |
| 2     | Thermostat 50-300°C, 250V, 16A            | Thermostat 50-300°C, 250V, 16A               | A039884                     |
| 4     | Kontrolllampe, grün 230V, 14A             | Green indicator light 230V, 14A              | A039883                     |
| 5     | Gehäuse                                   | Housing                                      | A042564                     |
| 8     | Schraube M6 x 40                          | Screw M6 x 40                                | A0GH81310                   |
| 10    | Feder, Stahldraht Ø 3,5 mm                | Spring, stainless steel Ø 3,5 mm             | A0GH81313                   |
| 11    | Welle bis 08/2011                         | Shaft until 08/2011                          | n.m. lieferbar/n. available |
|       | Welle ab 08/2011                          | Shaft from 08/2011                           | A042588                     |
| 12    | Halterung z. Welle                        | Shaft support                                | A042575                     |
| 14    | Blende, hinten                            | Back panel                                   | A041571                     |
| 16    | Stahlstift Ø 4 x 40 mm                    | Pin, steal Ø 4 x 40 mm                       | A0GH81316                   |
| 18    | Zugentlastung bis 07/2015                 | Strain relief until 07/2015                  | 016240434                   |
|       | Zugentlastung ab 08/2015                  | Strain relief from 08/2015                   | E0301070270                 |
| 19    | Anschlusskabel m. Stecker                 | Power cord w. plug                           | A039896                     |
| 21    | Grillplatte, unten gerillt                | Grill plate, lower grooved                   | A042560                     |
| 22    | Abdeckblech oben                          | Top cover plate                              | A042563                     |
| 24    | Isolierung z. Platte                      | Isolation f. plate                           | 0303060002                  |
| 26    | Grillplatte, oben gerillt                 | Grill plate, upper grooved                   | A042569                     |
| 27    | Heizkörper, oben 800W, 230V               | Upper heating element 800W, 230V             | A039854                     |
| 28    | Kabeldurchführung Ø 14 x 1,5 mm           | Cable bushing Ø 14 x 1,5 mm                  | A040546                     |
| 32    | Haltewelle Ø 12 x 260 mm                  | Shaft bearing Ø 12 x 260 mm                  | A040550                     |
|       | Haltewelle M6 ab 01/2012                  | Shaft bearing M6 from 01/2012                | A040450                     |
| 33    | Inbusschraube M5 x 16                     | Socket screw M5 x 16                         | A0GH81311                   |
|       | Inbusschraube M6 x 25                     | Socket screw M6 x 25                         | n.m. lieferbar/n. available |
| 34    | Mutter M5                                 | Nut M5                                       | A042593                     |
|       | Mutter M6                                 | Nut M6                                       | n.m. lieferbar/n. available |
| 35    | Griffstück, schwarz Ø 30 x 155 mm         | Handle sleeve, black Ø 30 x 155 mm           | A0GH81334                   |
| 36    | Griffbügel, 280 x 350 x 20 mm bis 08/2011 | Handle frame 280 x 350 x 20 mm until 08/2011 | A0GH81333                   |
|       | Griffbügel, 280 x 350 x 20 mm ab 08/2011  | Handle frame 280 x 350 x 20 mm from 08/2011  | A042589                     |
|       | Griffbügel ab 01/2012                     | Handle frame from 01/2012                    | A042689                     |
| 37-39 | Fettauffangschale, komplett               | Grease drip pan, complete                    | A042566                     |
| 45    | Anschlussklemme 500V, 15A                 | Terminal clamp 500V, 15A                     | A01506752                   |
| 46    | Temperaturbegrenzer                       | Temperature limiter                          | E0301030033                 |
| 48    | Fuß, Gummi, schwarz Ø 30 x 15             | Base, rubber, black Ø 30 x 15                | A042567                     |
| 50    | Heizkörper, unten 1000W, 230V             | Lower heating element 1000W, 230V            | A039855                     |
| 52    | Bodenplatte                               | Bottom plate                                 | A040570                     |
| 54    | Knebel z. Thermostat                      | Thermostat knob                              | E0301110009                 |

**Kontaktgrill 1800 1R**
